Our CB TEAM STORE is now OPEN!

Click [HERE](#) to place your order!

We are again using SportFair as our **merchandise vendor**, you may purchase your team suit (**new this year!**) a personalized team cap (latex or silicone) and other great new team merchandise!

(Note: *It is our intent to use the selected suit and cap design for at least 2 years, if not longer, so that folks don't have to buy a new suit or named cap each year if the ones they have are still of good quality!*)

The official Chesterbrook Tigershark swim suit and other gear is available at SportFair on Lee Highway in Arlington. Ask a Sports Fair sales rep if you need help with sizing. In conjunction with SportFair, Chesterbrook spirit wear is available [online](#).

Please have a good fitting cap and a pair of goggles. An extra set of both for practices and meets is a good idea.

Swim caps worn in NVSL meets are required to be either a team cap (i.e. CST) or a neutral cap. No other NVSL/PVS/School teams may be represented.

Every swimmer will receive a latex team cap (*if wanted*) along with a team shirt as a registered member of our 2017 team. We will plan to distribute t-shirts and caps at our **Back-to-Pool event on May 21st (4-6pm) at CST.**

Also please note: this year there will be one-of-a-kind Legacy Athletics caps available for purchase at CB team events as well as Tigershark Tervis tumblers and our great red/black CHESTEBROOK towels.
