When registering for a clinic, you will be directed to the new registration system, Club Automation, and will need to set up a username and password in order to register. If you have questions, please review the [Club Automation Guide](#).

Clinic names have changed, but all previously used clinic names are shown on the registration page and you should register for the clinic you played in the Fall season if you are a returning player.

Read the [FAQ - Make Up Policy](#) for complete details about the tennis make-up policy.
