

Junior Team 2017

Chesterbrook's Junior Tennis Team (JTT) welcomes kids ages 9-18yrs old who want to learn more about match play experience in a fun environment. **The team is open to members only.** During our regular season which typically runs from the end of June through the end of July, JTT will compete in the Tyson's Cup Junior Tennis Team League. Registration for JTT will include weekly practices and match play (either in-house or league).

Please note that we have made several changes to our JTT program this year:

- JTT will begin with afternoon PRESEASON practices starting the week of May 22nd and run concurrently with the **Spring 2 session (May 22nd-June 25th)**. An earlier start to JTT practices will allow more time for preparation ahead of league matches.
- JTT players will be placed in one of the following two tiers based on coach evaluations during the May 22nd-June 25th preseason practices: Match Prep or League Play. Match Prep players will play in-house matches while they continue to develop skills for league match play. League Play players will play in Tyson's Cup League matches, which begin the week of June 26th, are typically held on Tuesday and Thursday afternoons, and run through the end of July. The League match schedule will be available sometime in April. Summer practices for League Play will be in the morning, and practices for Match Prep will be in the afternoon.
- **JTT will no longer compete in the 8 & Under age category.**
