

Junior Tennis Ladder

The junior tennis ladder competition is set to return this summer! We are planning a round-robin event to kickoff the ladder on

April 30 at 1:00 p.m.

[CLICK HERE TO SIGN UP.](#)

The results of the tournament will determine initial rankings on this year's ladder.

The tennis ladder is an excellent opportunity for junior players to get singles match experience. All junior members of CST are eligible to play in this FREE activity as long as they can keep score. They do NOT need to be on the junior tennis team to participate in the ladder.

Contact Celeste Miller at celeste.miller@mac.com if your child would like to join the tennis ladder. Please provide your contact information for new players so it can be distributed to other ladder members.
