

Swim Team Information

The Chesterbrook Swim Team is a founding member of the Northern Virginia Swimming League (NVSL) and is proud to be celebrating its 62nd year (1956-2017) of encouraging a love of the sport of swimming. The Chesterbrook Tigersharks are composed of over 240 swimmers ranging in age from 5 through 18. While Chesterbrook is among the more competitive teams in the NVSL, our program emphasizes team spirit, camaraderie, improving individual performance, and fun. Our swimmers vary in skill level from just being able to swim one length of the pool to an NVSL All-Star.

For your reference here is the [NVSLs code of conduct](#).

The swim season runs from mid-June through early August. Scored meets are held on consecutive Saturday mornings and developmental meets on Monday evenings. There are division championship meets as well as individual All-Star meets. Relay only meets at the divisional and all-star levels are held on two consecutive Wednesdays in July.

In addition, there are weekly social activities for team members and their families such as pasta dinners, team gatherings after meets, and an awards party at the end of the season.

All are welcome! All make new friends! All experience a sense of accomplishment by the season's end!
