

Swim Team Registration

Spring has sprung and that means Chesterbrook's Swim Team registration is up and running for the 2017 season!

Registration for 2017 is \$185 for the first swimmer in your family and \$175 for additional swimmers. Swimmers must be between the ages of 5 and 18 as of June 1, 2017.

NOTE: All new swimmers are required to be assessed by a coach before registering. **PLEASE DO NOT REGISTER** without first reaching out to the team reps regarding assessment. We are not able to refund registration fees if a swimmer registers and does not meet the requirements to participate.

Registration is again being run on a separate website called "Active" and will remain open until April 30th. After the regular registration period closes, swimmers will be assessed a \$25 late fee.

The Active registration treats swimmers who are 18 years old as adults. They will be required to register themselves. Also, Active offers subscriptions to various magazines in the registration process. Unfortunately, we can't eliminate that section.

You will need to provide your family's member number as part of the registration process. If you don't know your family's member number, you can find it from the secure portion of the club website.

NOTE: If you'd like to have your team t-shirt available at our Back-to-Pool event on Sunday, May 21st, be sure to register by April 30th.

Our new CB Head Coach Katherine DeCrosta and her coaching staff have a great season planned and are looking forward to opening day.
