

REDCROSS LIFEGUARDING BLENDED LEARNING COURSE 2019

We are excited to offer you American Red Cross Lifeguarding Blended Learning.

Course Description: This course is designed to prepare and certify swimmers with lifeguarding and CPR skills needed for employment as a lifeguard or teach coach. This is a blended learning course. This means the initial introduction to the material is completed at the students own pace through online videos and section exams. This is the prerequisite for the in-person part of the course. All videos and online exams must be completed before attending the in-person portion. The second part of the course involves a two-day in-person skills session held at Overlee pool. This will include a swim test (500 meters), skill assessments for various class topics (CPR Skills, Guarding Skills, AED, Epinephrine Auto-Injection Pen, Asthma Inhaler, and Blood Bourne Pathogens), and a multiple choice certification exam. This course is a two-day course for new certifications and one-day for re-certifications (Sundays). Those who complete the course will receive an American Red Cross Lifeguard Certification valid for two years.

Course Requirement: This course requires completion of the online videos and exams from American Red Cross as well as completion of the swim test (*bring swimsuit, towel and change of clothes*), in-person skill assessment and multiple-choice written exam (*minimum 80%*). The online portion will be completed at the students pace before the in-person skill session. To gain access to this, student must register an account and sign-up for this class using the link provided below. Payment for the course will be remitted to the instructor by check on the first day of skills session; **\$350** for certifications and **\$200** for Re-certifications made out to Mike Coleson.
